The Money House helps young people in, or about to move into, independent housing manage their money and maintain their tenancy.

Participants gain practical, financial and digital skills to help them pay their rent on time, keep up with bills and budget their living costs.

In a flat environment, we explain how they can make informed choices about their future and teach them how to best manage their money, to prevent homelessness in an immersive setting.

## We cover:

- ⚡ Tenancy agreements
- ⚡ Avoiding eviction
- ⚡ Banking
- ⚡ Budgeting and spending habits
- ⚡ Benefits
- ⚡ Online safety and spotting scams
- ⚡ Energy efficiency
- ⚡ Planning for the future

## Our Impact

- ⚡ 32% reduction in young people failing to keep up with priority payments
- ⚡ Up to £2.92 social value for every £1 spent
- ⚡ Less than 1% of attendees have faced eviction

## Additional information

- ⚡ Group bookings can also be made, either we come to you or your group can come to our site.
